

ELITE MEDICAL

## MAXIMIZE REVENUE. IMPROVE PATIENT OUTCOMES. INCREASE SATISFACTION SCORES.

Elite Medical specializes in Case Management and Clinical Documentation Improvement for healthcare institutions by providing qualified, results driven, seasoned personnel to improve patient care, while diligently capturing all earned revenues on the care your institution has provided for each and every patient admitted to your facility. All while navigating new and existing legislation to meet strict CMS guidelines.

## RELY ON OUR EXPERTISE

Elite Medical's results driven, experienced Case Managers and Clinical Documentation Improvement Nurses are crucial in effectively managing the care and revenue potential of the census of complex and chronically ill patients within your institution.

### Our focus includes:

- Streamlining patient documentation
- Improving quality and consistency of patient care
- Developing and utilizing cost efficient treatment plans
- Bridging the gap between physicians and medical coders
- Increasing Case Mix Index (CMI)
- Capturing all documentation and codes

## IMPROVE YOUR PROCESS

Our CM and CDI staff enables your hospital to improve patient flow and maximize revenue. They are experts in clinical documentation and skilled in communicating to all key team members.

We analyze and make recommendations to:

- Promote cost effective care management without compromising the quality of care
- Capture/maximize revenue for complex services
- Reduce workload on existing staff
- Minimize financial penalties
- Effectively manage the length of stay
- Reduce re-admissions
- Avoid payer denials

## DRIVE CONSISTENT RESULTS

Elite Medical's results driven Case Management and CDI teams allow hospitals to focus on building census while we maximize revenue potential and meet CMS guidelines for you without compromising the quality of care within your institution.

### CM and CDI staff we provide for short or long-term needs include:

- Clinical Documentation Improvement Nurses
- RN Case Managers
- Emergency Room Case Managers
- Social Work Case Managers
- Utilization Review Nurses
- Discharge Planners
- Registered Nurse Care Coordinators
- Registered Nurse Navigators
